MEMORANDUM FOR All U.S. Army Dental Activity Military Personnel

SUBJECT: Policy Letter 99-07, Reenlistment/Retention Program

1. REFERENCES: AR 601-280, Total Retention Program

2. SCOPE: This policy applies to all military personnel assigned or attached to the Fort Huachuca Dental Activity.

3. POLICY:

a. As Detachment Commander, I am greatly interested in the Army Retention Program. It is Department of the Army policy that only those soldiers who have demonstrated potential for future development and have maintained a record of acceptable performance will be offered the privilege of reenlisting. I am dedicated to this policy and will support it with all my efforts.

b. All eligible soldiers are encouraged to talk with the DENTAC Career Counselor, Detachment Reenlistment NCO, or myself about your reenlistment goals. This should be done in a timely manner prior to your Expiration Term of Service (ETS) so that we can determine your qualifications and assist you in your reenlistment options.

c. To encourage individuals to reenlist, I have established the following incentives:

(1) All soldiers who reenlist will be authorized a special 4-day pass within the guidelines of AR 600-8-10. The dates will be coordinated with the soldier's NCOIC/OIC.

(2) All soldiers who reenlist will be taken off all duty rosters for 30 days.

(3) Soldiers will normally be authorized to take up to 30 days leave, based on their section's mission requirements and the soldier's leave balance.

d. I encourage everyone within the DENTAC to join this effort in identifying and encouraging qualified young soldiers who are eligible to reenlist.
